

ParcelPods

Turn your **mess** into
zero stress.

Real. Simple. Mailing.

Complete Locker System

Take control of your mailroom. FP's ParcelPod solution is the perfect way to organize and keep track of all your incoming packages. Paired with QTrak, this complete system takes the chain of custody off property owners.

Theft Protection

Securely locked and only accessible by unique code.

Centralized Location

Save time and let users come to one location.

Made to Order

Pick the right configuration of lockers for you.

24/7 Access

Allow users to pick up packages on their time.

Custom Finish

Wrap lockers in your own branding.

No More Clutter

Packages are organized and neatly stored.
